TOMMY BURNS IS NOW CHAMPION

Wins the Title From "Philadelphia Jack" O'Brien in Foot Race at Los Angeles.

FRAME-UP IS APPARENT BETS DECLARED OFF BEFORE

FIGHT.

Los Angeles, May 8.—Tommy Burns of Los Angeles won the heavyweight championship of the world from "Philadelphia Jack" O'Brien, before the Pacific Athletic club here tonight, after twenty rounds of fighting that was for the most part a foot race. O'Brien ran away from part a foot race. O'Brien ran away from Burns from the first round to the fin-ish and only occasionally was the lat-ter able to overtake him. Then O'Brien invariably clinched with Burns and held on until the referee pried them apart. The crowd hooted and jeered O'Brien and hurled all sorts of raillery at him as he raced about the ring. But very few blows of any vigor were landed by either man, and neither suffered any apparent damage. Both of O'Briens eyes were damaged and his lips were cut open, but Burns had scarcely a scratch.

Burns Was Disgusted.

Burns showed his disgust with the tac-les of his opponent and called to him repeatedly in a loud voice to "come on and fight." Burns would chase his man and fight." Burns would chase his man around the ring. O'Brien running as if in terror of his antagonist. Now and then Burns would overtake him and beat him on the back, O'Brien attempting wildly to duck and dodge away, until Burns, weary of the footrace, would stand in the center of the ring with his hands at his sides and wait for O'Brien to come to a halt in his race around the ropes. O'Brien landed many lights blows at long range on Burns' head and face during his capers about the enclosure, but they absolutely without effect. Clinches were frequent.

O'Brien Hung On.

The referee had the greatest difficulty in prying the men apart, or rather pry-ing O'Brien loose from Burns. The refe-ree cautioned O'Brien repeatedly about

ree Eyton went to O'Brien's corner and informed him that he must stop clinging to Burns in the clinches, and must break at the word of command. Burns had all of the better infighting and laced his opponent terrifically about the face with short arm lefts. O'Brien's holding of Burns' glove prevented him for using it in the clinches.

In the second round the men wrestle

in the center of the ring and both fe flat to the floor. In the opening roun O'Brien showed apparent fright at hi opponent's rushes and ran from him a

Cornered Him Twice.

In the ninth round Burns, weary O'Brien's constant retreating, rushed af er him and cornered him twice in different angles of the arena, and inflicts severe purishment on him. The latte made no effort to fight, merely ducking and trying to get away. Each round was largely a repetition

of the preceding one. Burns had the bet-ter of most of them whenever he was able to corner his man and get at him. The twelfth round was strongly in Burns' favor. During this round Burns laid O'Brien's left eye open with a terrific overhand right, the blood streaming down O'Brien's face. The latter called to his O'Brien's face. The latter called to his seconds something about his injury and shook his head in pain.

O'Brien's Unfair Tactics.

Again in the fifteenth round Burns caught his man going away and laid open the same eye again, which had been patched up with court plaster. O'Brien occasionally attempted unfair tactics by holding Burns' head under his arm and trying to use his elbow. The referee cautioned him and he quit it.

The twentieth and final round was as tame as the others. Probably 3,000 persons were in the pa vilion. It has a seating capacity of 5,800.

Betting Favored O'Brien.

The betting was all in O'Brien's fa-or. It started at 10 to 8, and at the hour of commencement was down to 10 to 6½ on O'Brien. But few large bets were made. Burns bet \$3,000 on himself, mostly at odds of 10 to 7. Burns weighed in at 175 pounds and O'Brien was eight pounds lighter.

Before the beginning of the fight Refe-

ree Eyton declared all bets off, under in-structions from Manager McCarey of the Pacific Athletic club. Eyton was unable to give the reasons for this ac-

Maddock's New Phenom Showing Up All Runners at the Varsity.

Brinton is still performing remarkable feats in the sprints at the university. Yesterday he was given a little try-out, running against Bailey who was given ten yards start. He beat Bailey in and finished in ten seconds. This was run in a strong wind. A few minutes later he was sent out for another hundred and in this he again equaled the state record of ten seconds, with Moore finishing close to his heels. Maddock said that he did not fear the Colorado sprinters in the least, while his men kept up such good work as they did yesterday, but the sprints would be the prettiest races seen here for some time. Runyon was selected yesterday as the tenth man. He will be entered in the high and low hurdles. His work has shown great improvement and he has been mak-
